January OUR MONTH OF Divine Enlargement

FROM THE FATHER'S HEART

Dearly Beloved,

You must continue to hear about the subject of faith over and over until it forms a spirit in you. This is one of the subjects God told me to master in ministry.

Romans 12:3b says, "... according as God hath dealt to every man the measure of faith."

There are 3 levels of faith every human being can operate from, and the level you operate from determines your outcome in life.

1. NO FAITH - Mark 4:40
2. LITTLE FAITH - Matt. 8:26
3. GREAT FAITH - Matt. 8:10

Faith produces supernatural results. Faith is crucial because our

faith is what brings us into the place where we can experience divine results. Our faith is what connects us to divine results. That is why Jesus asked almost everyone that came to Him for help, "do you believe I can do these things?" He did not ask them for money. You

can pay money to get natural and demonic results but you don't need money to get divine results. Your faith is what brings divine results. Once money is requested for a divine result, it is fake!

The difference between natural and divine results is that natural results can be measured naturally while divine results cannot be measured naturally. Natural results can be lost, divine results can also be lost but

can be sustained. A demonic result will attach you to the devil while divine results will bring you to God and God gives without any strings attached.

**Your faith is what
brings divine results.

requested for a divine
result, it is fake!**

THE YEAR OF THE SHEPHERD

SPECIAL COUNSELLING SESSION WITH THE GENERAL OVERSEER

On Thursday @ 12noon - 2pm @The Dream Centre of the Life Oasis Int'l Church
Km 4, Gbongan-Osogbo Expressway, Osogbo, Osun State, Nigeria.

The Dream Centre... "Committed to helping men realize their God-given dreams in life"

From the Father's Heart

Anything you are looking for from God has already been paid for. He sent His son to pay for it. The Blood is the price for the divine experience. If you go to the devil, you will pay yourself, and it is with your soul. If you go to the doctor, you will pay money. It is better to stay with God until you understand (even if it takes longer), or with natural means where you pay with money rather than going to the devil because the payment never stops. If you go to the devil, it will cost you much more than what you are willing to pay.

If you are a child of God without an understanding of the subject of faith, you will be walking in the world without divine results. Little faith will bring little divine result and great faith will bring great divine result. It is not faith that is the problem of most Christians, it is the understanding to deal with the issues that follow. Once you have enough faith to take the first step, you have enough faith for other steps but you need understanding.

Romans 12:3 says, "For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith." You have the same faith, but you don't have the same understanding. The first level of understanding I want you to get is that you have faith as a child of God. The second level of understanding is that your faith connects you to God's power for the change you are looking for, and God's power is what changes things through faith.

In conclusion, no faith is due to no understanding, little faith is a result of little understanding, and great faith is the result of great understanding.

Till next week, go and win with Jesus.

God's Servant,
Rev. Olusola Areogun.

THE THINGS THAT ARE COMING WITH THE SECOND COMING OF JESUS

Rev. Olusola Ayodele Areogun

STUDY 1

TEXT: Matthew 24:1-14

Introduction

This study is extremely critical because it highlights and gives us an idea of God's expectation of us and the understanding He wants you to have so that we can be fully prepared and ready for the second coming of Jesus.

Christians must know that church is not a place of entertainment; it is a place of preparation. We must know that we are on assignment for God on the earth. We are soldiers of Jesus Christ (2 Tim. 2:3-4), and soldiers need more than entertainment, they need preparation.

THE PREPARATION OF A SOLDIER - 2 Tim. 2:3-5

Verse 3 says "Thou therefore endure hardness, as a good soldier of Jesus Christ." KJV

What gives a soldier the strength to endure hardness is the preparation. You cannot perform beyond the level of your preparation and equipping. So, we need to be thoroughly equipped and ready for the second coming of the Lord.

Verse 4 says "No man that warreth entangleth himself with the affairs of this life; that he may please him who has chosen him to be a soldier." KJV

The training of a soldier comes with a high level of discipline. They are always trained to be focused and avoid distractions. Soldiers understand perfectly what indiscipline and lack of focus could cost a man. As good soldiers of Jesus Christ, we must apply the same principle to our lives. The days we are and the days ahead will be full of many distractions but we must stay focused. (Heb. 12:1-2)

Verse 5 says "And if a man also strive for masteries, yet is he not crowned, except he strive lawfully."

We need understanding as believers to know how to get ready and prepare well for the second coming of the Lord. No man who misses or violates the rules of the game will be crowned. You can be a very good runner but if you lack training and preparation and fail to run lawfully, you can run the race but at the end of the day, you will not be crowned. May that not be your portion in Jesus' name.

Matthew 24:2-3

"And Jesus said unto them, See ye not all these things? verily I say unto you, There shall not be left here one stone upon another, that shall not be thrown down.

And as he sat upon the mount of Olives, the disciples came unto him privately, saying, Tell us, when shall these things be? and what shall be the sign of thy coming, and of the end of the world?"

In the passage above, the Lord made a statement in verse 2 and that was what led to the questions of the disciples in verse 3:

WHEN SHALL THESE THINGS BE?

WHAT SHALL BE THE SIGN OF THY COMING?

AND OF THE END OF THE WORLD?

The three questions above are different from one another and must be well understood. But my focus in this series will be on the things that are coming with the second coming of Jesus for the church, not for the world. There are signs of His coming which are for the world and not for the church, but most of the time, those are what the church focuses her attention on and we need to move away from that.

Testimony

On the 23rd of November during the 40 days feasting, there was a move of “Divine Takeover” and I connected myself to it. Then just after the word, The Lord spoke through Daddy, exactly this way “There’s a Divine Takeover over your visa application, go get your visa on Thursday.”

Now, I knew it was my word sir, because I didn’t discuss the visa application with anyone, and I had applied for visa on the 19th (5days before the move came). I was given a slip at the embassy on the 19th to come and pick up my passport on the 3rd of December which was THURSDAY! When Daddy said “go get your visa on Thursday” I knew it was my word. When I got to the embassy on the 3rd, out of over 35 people who came for passport collections at the Polish embassy, only 3 of us were granted visa. It was indeed a Divine Takeover sir!

Thank you Jesus!
